Since those early days, the world Alex created has grown far beyond the Original House and into an attraction containing eclectic, exotic and whimsical exhibits and displays.

On your self-guided Ultimate Experience tour you will explore:

- ◆ The unique design of the Original House perched on a chimney of rock
- ◆ The Infinity Room extending an unsupported length of 218 feet and soaring 156 feet above the valley floor
- ◆ The World's Largest Carousel featuring 269 handcrafted animals, 20,000 lights and 182 chandeliers
- ◆ An enormous sea creature longer than the Statue of Liberty is tall
- ◆ The Streets of Yesterday, inviting you to take a nostalgic stroll down a 19th century street
- ◆ A Japanese Garden including 14 foot quadruple waterfalls cascading into a garden pond.

All this and so much more!
