Meet Your 2021 Board Election* Candidates!

We have three candidates running for the three positions currently open. When asked why they were interested in serving on our volunteer Board of Directors their answers were:

"I believe the credit union philosophy is the best possible way to help people in all walks of life. Serving on the Board is just another way to accomplish this. I love the fact that we teach budgeting and credit management, both of which are essential pieces in our effort to help people successfully manage their resources. I have learned so much during my previous terms on the Board, and want to continue that learning process."
-Tammie McCarthy

I like to help people and credit unions do exactly that! I am a good communicator and like to learn new things." - Jeff Behnke

"Giving back to the Community. Community values are really important to me, and that's why working with the N.E.W. Credit Union board is important to me. N.E.W. Credit Union gets it right by serving their members, valuing their employees, and giving back to their community." - Diane La Plant
